Thank you Bill for the email. I am checking with Lee's scheduler to see if we can fit y'all in at 10am tomorrow. Lee has meetings off campus all day Thursday. I will revert soonest.

Best!,
Mel

Subject: Trilogy meeting request

Melissa,

Thanks for taking my call a little while ago. Rick Van Nieuwenhuysen the former CEO of Trilogy Metals is going to be in town from Alaska tomorrow and Thursday. They are very interested in the road permit for the Ambler access road. It is largely being handled by Interior and the Army Corps, but EPA recently sent two letters on the project, one of which is attached. They were hoping to meet with you and Lee if he is available to discuss the issue. We could do 10am tomorrow, 12-2 tomorrow or 12-3 on Thursday

Sorry for the last minute request, but I think there was some confusion on a previous request to Lee on this.

Thanks so much and let me know if you have any questions.

Regards,
Bill

William J. McGrath
